

A frustrated Mexico then announced tariffs on an idiosyncratic list of 89 American products: 20% on Christmas trees, 45% on grapes, and so on. These added up to more than \$2 billion in imports. Trucking remains contentious. Mr Obama has told the Mexican president ... Although Mrs Merkel's centre-right coalition should hold a majority the secret ballot may allow members of her deeply divided coalition to vote against her candidate in order to express their dissatisfaction. ...
