

Passionately anti-American and a natural rebel, he teamed up with another rebellious soul in 1947 when he and Castro took part in an abortive invasion of the Dominican Republic, the first of their adventures together. ... He was arrested and tortured by Batista's political police, but released and sent into exile, to Mexico and New York. He worked as a gun-runner and a cash conduit before moving in 1958 from Miami to the rebel headquarters in the Sierra Maestra to write ...
