

American drug addicts killed Mexican flag. So easy, 20 Million of Stoned Americans had created more problems in Mexico than in USA. The cartoon is the same than the "N" word causes in African-American People, they can use it ... First, as much as I agree that we, individuals have the right to express freely; we have the obligation to respect other people's beliefs. I easily can see that you weren't familiar about the respect we Mexicans show to our patriotic symbols. ...Cagle Blogs - <http://blog.cagle.com/>
