

I could say in a very subjective way what the president of the CSJ is intending to express and I think that faced with the many pressures at international level, the complaint was made and has been taken not only by human rights ... "We are here because we believe that this decision is arbitrary, unjust and illegal and we have made given many and enough documents and evidence to the Directorate of Personnel of the judiciary to the Inter-American Commission on Human Rights ... Resiste Honduras - <http://elquinceavopaso.blogspot.com/>
